- **The Company will not allocate the available funds from this Offering to an acquisition that is a significant acquisition or restructuring transaction under securities law or to any other transaction for which the issuer seeks security holder approval.**

Cautionary Statement Regarding Forward-Looking Information

This offering document contains “forward-looking information” within the meaning of applicable Canadian and United States securities laws, which is based upon the Company’s current internal expectations, estimates, projections, assumptions and beliefs. The forward-looking information included in this offering document are made only as of the date of this offering document. Such forward-looking statements and forward-looking information include, but are not limited to, statements concerning future exploration and development plans at the Company’s mineral properties, including development timelines and anticipated costs; the Company’s expectations with respect to the use of proceeds and the use of the available funds following completion of the Offering and the Concurrent Offering (as defined below); and completion of the Offering and the Concurrent Offering and the date of such completion. Forward-looking statements or forward-looking information relate to future events and future performance and include statements regarding the expectations and beliefs of management based on information currently available to the Company. Such forward-looking statements and forward-looking information often, but not always, can be identified by the use of words such as “plans”, “expects”, “potential”, “is expected”, “anticipated”, “is targeted”, “budget”, “scheduled”, “estimates”, “forecasts”, “intends”, “anticipates”, or “believes” or the negatives thereof or variations of such words and phrases or statements that certain actions, events or results “may”, “could”, “would”, “might” or “will” be taken, occur or be achieved.

Forward-looking statements or forward-looking information are subject to a variety of risks and uncertainties which could cause actual events or results to differ materially from those reflected in the forward-looking statements or forward-looking information, including, without limitation, risks and uncertainties relating to: general business and economic conditions; regulatory approval for the Offering; completion of the Offering and the Concurrent Offering; changes in commodity prices; the supply and demand for, deliveries of, and the level and volatility of the price of copper and gold; changes in project parameters as exploration plans continue to be refined; costs of exploration and development, including labour and equipment costs; risks and uncertainties related to the ability to obtain or maintain necessary licenses, permits or surface rights; changes in credit market conditions and conditions in financial markets generally; the ability to procure equipment and operating supplies in sufficient quantities and on a timely basis; the availability of qualified employees and contractors; the impact of value of foreign exchange rates on costs and financial results; market competition; changes in taxation rates or policies; technical difficulties in connection with mining activities; changes in environmental regulation; environmental compliance issues; and other risks of the mining industry. Should one or more of these risks and uncertainties materialize, or should underlying assumptions prove incorrect, actual results may vary materially from those described in forward-looking statements or forward-looking information. Although the Company has attempted to identify important factors that could cause actual results to differ materially, there may be other factors that could cause results not to be as anticipated, estimated or intended. For more information on the Company and the risks and challenges of its business, investors should review the Company's annual filings that are available at www.sedarplus.com. The Company provides no assurance that forward-looking statements or forward-looking information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements and information. Accordingly, readers should not place undue reliance on forward-looking statements and forward-looking information. Any forward-looking statement speaks only as of the date on which it is made and, except as may be required by applicable securities laws, the Company disclaims any intent or obligation to update any forward-looking information, whether as a result of new information, changing circumstances, or otherwise.

In connection with the forward-looking information contained in this Offering Document, the Company has made numerous assumptions regarding, among other things: the TSX-V will approve the Offering and Concurrent Offering; the amount to be raised; the use of the net proceeds of the Offering and Concurrent Offering as announced or at all; the satisfaction or waiver of the conditions of closing of the Offering and Concurrent Offering; the completion of the Offering and Concurrent Offering on the expected terms; the Company's ability to capitalize on growth opportunities and implement its growth strategy; the Company's ability to retain key personnel; the Company's ability to raise sufficient capital to fund planned exploration and related activities and maintain corporate capacity; stability in financial and capital markets; the absence of material adverse changes in its business, the Company's industry or the global economy; and that the risks and uncertainties enumerated above will not materialize. While the Company considers these assumptions to be reasonable, these assumptions are inherently subject to significant uncertainties and contingencies.

PART 2 SUMMARY DESCRIPTION OF BUSINESS

What is our business?

Andina Copper Corporation is a unique South America- focused copper explorer listed on the TSX-V (TSXV:ANDC), Frankfurt (FSE: FIR), and OTC (OTCQB: PMMCF) exchanges. The Company holds two significant discoveries along the copper producing Andean porphyry belt in Argentina and Colombia, and a compelling undrilled copper-gold target in the prolific copper production district of the Coastal Cordillera of Chile.

The Company has been actively drilling (a) multiple porphyry copper-gold discoveries on the Piuquenes Copper-Gold Project in San Juan Province, Argentina (the “Piuquenes Project”) under an option and joint venture agreement (earning an 80% interest) with Compañía Minera Piuquenes S.A., a Panamanian entity, signed in November 2023 and (b) the Cobrasco Copper-Molybdenum Project in Chocó, Colombia (80% Andina).

Material Facts

Other than as disclosed below, there are no material facts about the securities being distributed hereunder that have not been disclosed either in this Offering Document or in another document filed by the Company over the 12 months preceding the date of this Offering Document on the Company's profile at www.sedarplus.ca. You should read these documents prior to investing.

In addition to the Common Shares being offered under the Offering, the Company will be offering for sale 12,500,000 Common Shares in the capital of the Company to be priced at \$0.80 per Common Share under applicable prospectus exemptions in accordance with NI 45-106 for additional gross proceeds of \$10,000,000 (the "**Concurrent Offering**", and together with the Offering, the "**Offerings**"). The Common Shares issued pursuant to the Concurrent Offering will be subject to a four-month and one day hold period.

Business objectives and milestones

What are the business objectives that we expect to accomplish using the available funds?

The Company's business objectives for the next 12 months are to advance the exploration of its Piuquenes Project and Cobrasco Project. The Company's projected cost to advance the exploration of the Piuquenes Project and Cobrasco Project are \$7,850,000 and \$12,850,000 respectively.

PART 3 USE OF AVAILABLE FUNDS

What will our available funds be upon the closing of the offering?

The net proceeds of the Offering, the Concurrent Offering and the funds which will be available to the Company after the Offering are as follows:

	Source of Funds	Assuming Full Offering is Sold	Assuming Full Offering and Concurrent Offering are Sold
A	Amount to be raised by the Offering(s)	\$10,000,000	\$20,000,000
B	Selling commissions and fees ⁽¹⁾	\$600,000	\$1,200,000
C	Estimated Offering costs (e.g., legal, accounting, audit)	\$10,000	\$20,000

D	Net proceeds of Offering: $D = A - (B + C)$	\$9,390,000	\$18,780,000
E	Working capital as at most recent month end	\$2,400,000	\$2,400,000
F	Additional sources of funding	-	-
G	Total available funds: $G = D + E + F$	\$11,790,000	\$21,180,000

Note:

- (1) The Offerings are non-brokered. The Company may pay certain eligible finders a cash fee of up to 6% of the gross proceeds raised in respect of the Offering from subscribers introduced by such finders to the Company. The amount stated in the table above represents the Company's estimate of the aggregate finder's fees that may be paid by the Company in connection with the Offerings.

How will we use the available funds?

Description of intended use of available funds, listed in order of priority ⁽¹⁾⁽²⁾	Assuming Offering is Fully Sold	Assuming Offering and Concurrent Offering are Fully Sold
Exploration at the Piuquenes Project	\$4,370,000	\$7,850,000
Exploration activities at the Cobrasco Project	\$6,940,000	\$12,850,000
General and Administrative ⁽³⁾	\$380,000	\$380,000
Working capital	\$100,000	\$100,000
Total: Equal to "G" Total Available Funds in Chart Above	\$11,790,000	\$21,180,000

Notes:

- (1) The available funds will not be paid to insiders, associates or affiliates of the Company, except for normal course salaries.
- (2) The most recent financial statements of the Company included a going-concern note. The Offering is intended to permit the Company to continue its operations, with the goal of advancing its exploration activities and is not expected to affect the decision to include a going-concern note in the next annual financial statements of the Company.
- (3) General and administrative expenditures include (without limitation) salaries, office and general costs and funds payable to external professionals, including accounting, audit, stock exchange, transfer agency, investor relations and legal costs. Under the maximum offering scenario, the Company may engage additional ongoing marketing and investor relations services to have more comprehensive advertisement of recent exploration and corporate development updates.

The above noted allocation represents the Company's current intentions with respect to its use of proceeds based on current knowledge, planning and expectations of management of the Company. Although the Company intends to expend the proceeds from the Offering as set forth above, there may be circumstances where, for sound business reasons, a reallocation of funds may be deemed prudent or necessary and may vary materially from that set forth above, provided, that such uses will not include a significant acquisition, a restructuring transaction, or any transaction requiring approval of the Company's security holders. The amounts actually allocated and spent will depend on a number of factors, including the Company's ability to execute on its business plan and financing objectives. The completion of the Offering is not contingent on the closing of the Arrangement and there is no guarantee that the Arrangement will complete.

How have we used the other funds we have raised in the past 12 months?
